

# Wellness Program

**AGC Health Benefit Trust** understands the importance of a healthy workforce and is committed to providing exceptional and affordable benefits. Wellness programs are a common strategy to help combat preventable illness and chronic diseases, while simultaneously lowering risk and bending the cost curve to help keep health care costs down.

As part of the 2017 product offering, AGC Health Benefit Trust has partnered with Regence Blue Cross Blue Shield to offer access to a wellness program. By completing a preventative exam, you will be able to better understand your current health risks, as well as receive access to resources to help improve your overall health and wellbeing.

Your participation is as easy as 1, 2, 3... **Reward!**

1. **Create a personal profile at [www.regence.com](http://www.regence.com).**
2. **Complete a preventative wellness exam with your doctor by July 31, 2017. Qualifying preventative exams include:**
